

Let the SlugBuster™ loose in
your vacuum lines today!

The SlugBuster™ formula contains:

• **CHELATORS:**

- Help hold heavy metals, such as Mercury, in suspension, facilitating safer discharge to waste disposal
- Make the water soft - soft water cleans better than hard water

• **WETTING AGENTS:**

- Specially formulated to allow the cleaner to penetrate faster

- 8.5 pH level
- Non-chlorinated
- Formulated specifically for the Dental industry
- Cleans and deodorizes vacuum hoses, drains, piping, and separators
- Dissolves organic debris for maximum vacuum performance
- Absolutely non-foaming
- Fast acting
- Quick rinsing, minimizing drain line residue
- Light pleasant fragrance
- Compatible with ALL amalgam separators
- Biodegradable
- Available in 2 easy-to-use formulations: powder and liquid
- Economical

CustomAir

RAMVAC

Available in 2 economical, easy-to-use forms: powder or liquid

POWDER

STARTER PACK:

The starter pack includes a 2-gallon mixing jug and 2 boxes of SlugBuster (40 packets per box). A complimentary starter pack ships with every new RAMVAC®

SIX PACK:

A Six Pack of SlugBuster includes 6 individual boxes of SlugBuster (will make 480 gallons of solution). Individual boxes of SlugBuster are sold through dealers - not through RAMVAC.

LIQUID

SINGLE GALLON:

Includes a single gallon of SlugBuster concentrate with a pre-measured hand pump dispenser

LIQUID STARTER PACK:

Includes a 2-gallon mixing jug and 1 gallon of SlugBuster concentrate with a pre-measured hand pump dispenser.

CASE:

4 single gallons of SlugBuster concentrate packaged in 1 box with 4 pre-measured hand pump dispensers.
